

Institutional Collaboration

1. The CSSSC has signed a Memorandum of understanding with the University of Goettingen for three years (renewable) under which faculty and student exchange, collaborative research projects and joint seminars will be made possible. The University of Goettingen has committed itself to financial support for these activities, while the CSSSC has committed itself to admitting two Ph.d students from the University of Goettingen to avail of the methodology courses taught under the M.Phil and doctoral programme and to providing local support in the event of international seminars.

2. The CSSSC has signed an Agreement with the University of Glasgow through the British Academy research network to support a short visiting stint of an academic from Glasgow University in the CSSSC, a seminar and partial research assistance to faculty members identified under the project.
