R - 1, Baishnabhghata Patuli Township
Kolkata - 700 094

Research assistant for the "Ancient Indian Boardgames: Preservation, Documentation and Cultural Impact", a project awarded by the JPN National Centre for Excellence in Humanities, Indian Institute of Technology, Indore.

We are seeking a research assistant for the above project.

Responsibilities: Data collection, coordination and archival research.

Qualifications: A Masters' degree in the Humanities or Social Sciences subjects (CGPA 7 and above). A diploma or certificate in the Digital Humanities is recommended. Basic web-design and database-management skills, training in digital archiving as well as knowledge of Indian board games is preferable.

The candidate must be willing to travel within India.

The appointment will be for six months initially for a salary of Rs. 15,000 p.m.

Please email your application with a covering letter and full CV to souvik@cssscal.org within 31st October 2024.
